## HOTSUITS

A one-size-fits-all kidney belt that can turn your existing wetsuit into a heated wetsuit. Press the button and a chemical reaction inside the pack heats to 54° C within seconds. It's completely re-usable, just boil the pack for 15 minutes and it's recharged and ready to use again.

RRP: €49

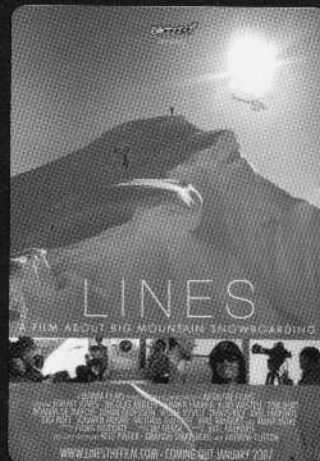

## NIKITA

The lovely ladies (and guy, also lovely) from Iceland have finally introduced a technical outerwear line for Autumn/Winter 2006-07 consisting of four jackets and three pants with waterproofing ranging from 3,000mm to 15,000mm with a variety of features.

**Recommended Retail:** Jackets £124.99 - £199.99, Pants £129.99 - £149.99

**Available:** Now

## QUINTA FILMS

Lines, produced by Quinta Films, in collaboration with Absinthe Films and Billabong, is an intimate and in-depth vision of big mountain snowboarding, its heroes and their lifestyle. Filmed in HD and 16mm, Lines features exclusive archive footage from the early days in Alaska up until today, provided by the most recognized snowboard film companies such as Standard Films and CinemaSeoane.

**Available:** January 2007

**Marketing:** Extensive Billabong Bus Tour featuring LINES will be going to major cities and snow resorts in Europe and USA in February-March 07. LINES will also be submitted for selection at the Sundance Festival in Park City, Utah (USA). For a sneak preview of the teaser, go to <http://web.mac.com/axelpauporte>

## OAKLEY

The crew move its technical expertise to the other side of the lens with the launch of its new swimwear range.

**Available:** Spring 07

## ANACAPA

Al Merrick is designing a limited second line of entry/intermediate level surfboards geared towards a broader customer base. The Anacapa line consists of four performance designs; two small wave shapes, one all around shortboard, and one hybrid.

All boards were designed by Al Merrick and the range and brand has been licensed to Global Surf Industries for production and worldwide distribution. [www.surfindustries.com](http://www.surfindustries.com)

**Available:** reps are on the road now in France and Spain March 07 delivery.
